SHE'S BECOME VIOLENT
BUT THIS SPRING EVERY SINCE SHE ENTERED HIGH SCHOOL
I DON'T KNOW IF IT IS BECAUSE SHE'S AT THE REBELLIOUS STAGE,
IT MAKES ME SICK TO MY STOMACHE, I DON'T KNOW WHETHER I SHOULD GET ANGRY
BUT YOU'RE ALSO THE CHIEF OF DETECTIVES, SO YOU SHOULD BE ABLE TO WORK IT OUT.
THEY WERE UNTIL 4 YEARS AGO, WHEN SHE WAS STILL IN ELEMENTARY SCHOOL TODOU
BEFORE MIKURU-CHAN USED TO ALWAYS BE LIKE "MOMMY, MOMMY" IT WAS SWEET
WEREN'T THEY ALWAYS CLOSE?
BUT NOW NO MATTER WHAT MY WOMAN SAYS MIKURU OPPOSES HER

WHEN IT COMES TO HANDLING THE GIRL, I'M JUST NOT AROUND. I WORK FROM EARLY MORNING UNTIL THE LATE NIGHT
BUT I DON'T REALLY UNDERSTAND MIKURU CHAN'S FEELINGS.
IT'S ALMOST LIKE A FATHERLESS FAMILY

WELL YOU KNOW, IT'S NORMAL THING.

Me?!
YOU'RE NOT MY MOM!

EH?!
WHAT IS IT MOM?!

I had just come home when instead of your mother this girl was sleeping on the bed!
You and mom are using an accomplice! You'd make from a enemy's daughter to make fun of me!
You're joking! I don't know that girl! Besides, I fought with mom again today!
Are those things you're saying why you kidnapped me?!

Kidnap you? Assure look. I'm from the Metropolitan Police Department.
Could it be that you're not here as one of Mom's pranks?
Come on that's why right?
I don't know your mother!

Then where could she have gone?!
Mom are you here?
Hey! Yuki!
Here

she said here...
eh?
why?

If you think I'm lying, please look at my school notebook.
Because my name is Yamanami Yuki I'm from Mitsuba academy, top class, freshman.

Wow, that's a precious girl high school!
I'm the same age.
And that's mom's old surname.

Yes! ♡ Found it! The heart-shaped mole.

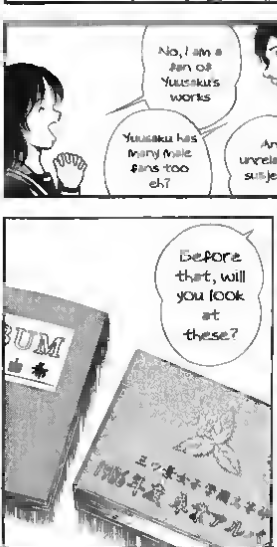
W-w.wait, this is kind of a big deal_why do you have to do this?
Noo!
Mikuru-chan, did you find it?
eh?!
Why do you know about that?
That's because we're family
mom!
When even I didn't know about that?
Here's the star-shaped mole

Ahahaha, us being family, please stop joking around!!
Because I'm 16 years old and am a high school student. I'm the same as that girl.
Yes, in 1984.
But this is 2008, and you're 40 years old and the wife of Nagakurashin Ichirou, daughter and the mother of Mikuru.
I don't know why, but my present-day mother has been replaced by my mother from 1984!
This is without question, the reality.
EH

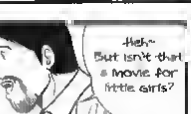
Who would believe that sort of messed-up reality!
This isn't the movie, "The Girl Who Jumped Through Time!"

No, I am a fan of Yuusaku's works
Huh~ But isn't that a movie for little girls?
Yuusaku has many male fans too eh?
An unrelated subject.

"The Girl Who Jumped Through Time." With Hara-dotamoyo and Kadokawa. It's a movie that opened to the public in 1983.
"The [illegible] who?"



Before that, will you look at these?



That's right~~~

Enough of this. I'm going home~
Went to see~

I went to see it with a friend.
I also went to see, "Detective' s Tale."

THE TIME LEAPER YUKI

The year is 2008, and Mikuru is a 16-year-old high schooler who often disagrees with her mother Yuki. One day a girl appears in front of her—"Yuki," a cute girl who's thoughts, memories and body are from 24 years earlier. In short, Yuki has "time-slipped" from 1984 to the present, and when Yuki wakes up she is shocked to find that the year is not 1984, and that Mikuru is her daughter.

Now both mother and daughter are the same age and living in the same house together, with an older man who's supposed to be her husband. Until when she can return home, the girl who has crossed space-time decides to discover her future.
